Proposal to approve under OMB delegated authority the extension, without revision, of the following reports:

1. Report title: Disclosure Requirements in Connection with Regulation CC to implement the Expedited Funds Availability Act

Agency form number: None

OMB control number: 7100-0235

Frequency: Event-generated

Reporters: State member banks

Annual reporting hours: 171,900

Estimated average hours per response: Notice of exceptions, Case by case hold

notice, or Notice to potential customers upon request: 3 minutes; Notice posted where consumers make deposits: 15 minutes; Notice of changes in policy: 20 hours; and Annual notice of new ATMs: 5 hours.

Number of respondents: 975

Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 4008). No issue of confidentiality under the Freedom of Information Act arises.

Abstract: The third party disclosure requirements are intended to alert consumers about their financial institutions' check-hold policies and to help prevent unintentional (and costly) overdrafts. Most disclosures must be made within one banking day of the triggering event. Disclosures resulting from a policy change must be made thirty days before action is taken, or within thirty days if the action makes funds available more quickly. Model forms, clauses, and notices are appended to the regulation to provide guidance.

The Board's Regulation CC applies to all depository institutions, not just state member banks. However, under Paperwork Reduction Act regulations, the Federal Reserve accounts for the burden of the paperwork associated with the regulation only for state member banks. Other agencies account for the Regulation CC paperwork burden on their respective constituencies.

2. Report title: Recordkeeping and Disclosure Requirements in Connection with Regulation DD (Truth in Savings)

Agency form number: None

OMB control number: 7100-0271

Frequency: Event-generated

Reporters: State member banks

Annual reporting hours: 1,447,225

Estimated average hours per response: Complete account disclosures: 5 minutes; Subsequent change in terms notice, Subsequent prematurity notice, or Periodic statement: 1 minute; and Advertising: 1 hour.

Number of respondents: 975

Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 4308). No issue of confidentiality under the Freedom of Information Act arises.

Abstract: Regulation DD implements the Truth in Savings Act (12 U.S.C. § 4301 *et seq.*). The act and regulation require depository institutions to disclose information such as fees and rates that apply to deposit accounts. Depository institutions that provide periodic statements are required to include information about fees imposed, interest earned, and the annual

percentage yield (APY) during those statement periods. The substantive requirements of the act and regulation mandate the methods by which institutions determine the balance on which interest is calculated. Rules dealing with advertisements for deposit accounts are also included in the regulation. Model clauses and sample forms are appended to the regulation to provide guidance. Depository institutions are required to retain records as evidence of compliance.

The Board's Regulation DD applies to all depository institutions, not just state member banks. However, under Paperwork Reduction Act regulations, the Federal Reserve accounts for the burden of the paperwork associated with the regulation only for state member banks. Other agencies account for the Regulation DD paperwork burden on their respective constituencies.

This extension of authority under the Paperwork Reduction Act has no bearing on the pending rulemaking related to the method of APY calculation.

3. Report title: Recordkeeping Requirements in Associated with the Real Estate Lending Standards Regulation (12 CFR 208.51)

Agency form number: None

OMB control number: 7100-0261

Frequency: Annual

Reporters: State member banks

Annual reporting hours: 39,000

Estimated average hours per response: 40

Number of respondents: 975

Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 1828(o)). No issue of confidentiality under the Freedom of Information Act normally arises.

Abstract: This information collection is a recordkeeping requirement contained in the Board's Regulation H (12 CFR 208.51) that implements section 304 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA). The requirement is to adopt and maintain a written real estate lending policy. There is no formal reporting form and the information is not submitted to the Federal Reserve.

SUPPLEMENTARY INFORMATION:

Background and Public Meeting Notice

On October 3, 1995, Chemical Banking Corporation, New York City, New York (Chemical), applied to the Federal Reserve System for approval under sections 3 and 4 of the Bank Holding Company Act (12 U.S.C. 1842, 1843) (BHC Act) to acquire The Chase Manhattan Corporation, New York, New

York (Chase), and thereby to acquire the banking and nonbanking subsidiaries of Chase. Chemical also has applied to the New York State Banking Department under relevant provisions of New York banking law. Under authority delegated by the Board of Governors of the Federal Reserve System (Board) in § 265.6(a)(2) of the Board's Rules, the General Counsel of the Board hereby orders that a public meeting on the applications be held in New York City, New York, on Thursday, November 16, 1995, to collect information on the convenience and needs of the communities to be served by this proposal, including the records of performance of these institutions under the Community Reinvestment Act (12 U.S.C. 2901 *et seq.*) (CRA) and the community reinvestment provisions of New York Banking Law (N.Y. Banking Law section 28-b).

The public meeting will be held jointly with the New York State Banking Department at the Federal Reserve Bank of New York, 33 Liberty Street, New York City, New York, 10045. The meeting will begin at 9:00 a.m. E.S.T.

Purpose and Procedures

The purpose of the public meeting is to receive information regarding the convenience and needs of the communities to be served by this proposal, including the records of performance of Chemical and Chase under the CRA and the community reinvestment provisions of New York Banking Law. The CRA requires the appropriate federal financial supervisory agency to "assess [an] institution's record of meeting the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of [the] institution." 12 U.S.C. 2903. The Board, as a federal financial supervisory agency, is required to take this record into account in its evaluation of an application under section 3 of the BHC Act.

The public meeting is convened under the Board's policy statement regarding informal meetings in § 262.25(d) of the Board's Rules (12 CFR 262.25(d)). This policy statement provides that the purpose of a public meeting is to elicit information, to clarify factual issues related to an application, and to provide an opportunity for interested individuals to provide testimony. In contrast to a formal administrative hearing, the rules for taking evidence in an administrative proceeding will not apply to this public meeting. Testimony at the public meeting will be presented to a panel consisting of Presiding Officers, Neil D.

Levin, Superintendent of Banks of the State of New York, or his designee, and Griffith L. Garwood, Director of the Board's Division of Consumer and Community Affairs, and other panel members appointed by the Presiding Officers. These panel members may question witnesses, but no cross-examination of witnesses by others will be permitted.

In conducting this public meeting, the Presiding Officers will have the authority and discretion to ensure that the meeting proceeds in a fair and orderly manner. The public meeting will be transcribed and information regarding procedures for obtaining a copy of the transcript will be announced at the public meeting.

All persons wishing to testify at the public meeting should submit a written request to Darrie Williams, Secretary of the New York State Banking Board, Two Rector Street, New York City, New York 10006 (facsimile: 212/618-6912), with a copy to William W. Wiles, Secretary of the Board, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue, N.W., Washington, D.C., 20551 (facsimile: (202/452-3819), not later than November 10, 1995, providing the following information:

(i) A brief statement of the nature of the expected testimony and the estimated time required for the presentation;

(ii) Address and telephone number (and facsimile number, if available); and

(iii) Identification of any special needs, such as persons desiring translation services, persons with a physical disability who may need assistance, or persons using visual aids for their presentation. To the extent available, translators will be provided to persons wishing to present their views in a language other than English if they include this information in their request to testify.

Persons interested only in attending the meeting do not need to submit a written request to attend.

On the basis of the requests received, the Presiding Officers will prepare a schedule for persons wishing to testify. Persons not listed on the schedule may be permitted to speak at the public meeting at the discretion of the Presiding Officers if time permits at the conclusion of the schedule of witnesses. Copies of testimony may, but need not, be filed with the Presiding Officers before a person's presentation.

By order of the General Counsel of the Board of Governors, acting pursuant to
